It is essential that someone is there on the day of delivery and that we have a contact number for them. If no one is at the delivery address the couriers do not attempt to deliver the order later and it will be disposed of .

Please email or post your order to the contact details below
Payment must be received prior to delivery of your order. This can be by card payment over the phone or by bank transfer.
Once your order has been received we will contact you with the exact price and confirm delivery day.

If you have any queries please do not hesitate to contact us
